The origin of the word
“sinister” reflects a historical
bias against left-handed people.
It comes from the Latin word
for “left,” which was also seen
to be unlucky or evil.

The North Dakota State Capitol, called the Skyscraper on the Prairie, is a 21 story, 241.67-foot tall Art Deco skyscraper. It is the tallest building in North Dakota.

No matter how few possessions you own or how little money you have, loving wildlife and nature will make you rich beyond measure.
